

The Novel Coronavirus COVID-19

Our Offices are Temporarily Closed to the Public

The Medina Metropolitan Housing Authority (MMHA) is committed to the welfare of the families we serve and are taking precautions to ensure the health and wellness of our clients, residents, staff, and associates in the prevention of the Novel Coronavirus also known as COVID-19.

To honor the Centers for Disease Control and Prevention's request to practice social distancing and virus prevention habits, the MMHA has temporarily closed its offices to the public although our staff is here and working to serve you. Please use the drop-off box outside our building during these extraordinary times to protect yourself and our staff.

If you need our office to copy a required document for you, please leave the original in the drop-off box for us to copy. The original will be mailed back to you.

Please call our office if you would like to speak with your caseworker, request a property application, or have any questions regarding assistance.

- Please call our office for additional information at 330-725-7531; due to the anticipated increase in phone calls, your call may not be immediately answered. Staff will return your call within two business days in the order the calls are received.
- E-mail inquiries may be sent to mmha@mmha.org. Your e-mail will also be responded to within two business days.
- Please continue to check our website for additional updates.

While new details continue to emerge, we will stay informed and continue to monitor the Center for Disease Control and Prevention (CDC), the Ohio Department of Health, and our local Medina County Health Department for updated information.

Resources

Please visit the following sites for additional information regarding the Novel Coronavirus.

Center for Disease Control and Prevention at <https://www.cdc.gov/>

Medina County Health Department at <https://medinahealth.org/>

Ohio Department of Health at <https://odh.ohio.gov/wps/portal/gov/odh/home>

Tips to Protect Yourself

1. Avoid close contact with people who are sick
2. Cough or sneeze into your arm
3. Avoid touching your eyes, nose, and mouth
4. Clean and disinfect frequently touched objects and surfaces
5. Stay home when you are sick except to get medical care
6. Wash your hands often with soap and water for at least 20 seconds

Thank you for your cooperation and understanding during these difficult times.
